## 1. Funding Details

The above named client intends to use part of the proceeds of a loan from/grant administered by the European Bank for Reconstruction and Development (the Bank) towards the cost of the above named contract(s).

Additional financing information:

The Albania Infrastructure and Tourism-Enabling Project “the Project” is financed by the European Union through technical assistance and investments grants for a total amount of EUR 40 million, and by complementary sovereign loan facility provided by the EBRD to the Government of Albania. The Project is implemented by the Albanian Development Fund as executing agency (the “Client”) and the European Bank for Reconstruction and Development (the “Bank”). The EU grants are identified by the EU in close cooperation with the Albanian Development Fund. Grant Recipient is: Republic of Albania.

## 2. Information on the Procurement Exercise

Contracts will be subject to the Bank’s Procurement Policies and Rules and are open for participation for firms from any country, unless otherwise specified in the procurement documents.

The type of contract and the procurement method is stated above. A full description of the procurement exercise is available within the documentation and is available free of charge in ECEPP.

The documentation will include such information as: detailed technical and financial requirements; any information on lots; the expected outcome; eligibility and qualification requirements; contract start date; planned contract duration; any response requirements; any other relevant information.

This procurement exercise will be conducted using the EBRD Client E-Procurement Portal (ECEPP). Prospective participants can access the procurement exercise by clicking on the below link or on the ‘Access Opportunity’ button (if viewing this notice on ECEPP). Registered participants may log in and access the documentation immediately and unregistered participants may do so after completing a brief registration:
