INVITATION FOR PREQUALIFICATION

1. Funding Details

The above named client intends to use part of the proceeds of a loan from/grant administered by the European Bank for Reconstruction and Development (the Bank) towards the cost of the above named contract(s).

Additional financing information:

This Invitation for Prequalification follows the General Procurement Notice for this project which was published on the EBRD website, Project Procurement Notices (<http://www.ebrd.com/pages/workingwithus/procurement/project.shtm>) on December 19, 2019.

Government of Albania has received financing from the European Bank for Reconstruction and Development (the "Bank") in the form of a loan toward the cost of Regional and Local Roads Connectivity "the Project". Albanian Development Fund (ADF), the executing agency (the "Client"), intends prequalifying individuals, firms and consortia to tender for the following contract(s), hereinafter referred to as "the Contract", to be funded from part of the above proceeds.

2. Information on the Procurement Exercise

Contracts will be subject to the Bank's Procurement Policies and Rules and are open for participation for firms from any country, unless otherwise specified in the procurement documents.

The type of procurement and the procurement method is stated above. A full description of the procurement exercise is available within the documentation and available free of charge on ECEPP.

The documentation will include such information as: detailed technical and financial requirements; any information on lots; the expected outcome; eligibility and qualification requirements; contract start date; planned contract duration; any response requirements; any other relevant information.

This procurement exercise will be conducted using the EBRD Client E-Procurement Portal (ECEPP). Prospective participants can access the procurement exercise by clicking on the below link or on the 'Access Opportunity' button (if viewing this notice on ECEPP). Registered participants may log in and access the documentation immediately and unregistered participants may do so after completing a brief registration:

<https://ecepp.ebrd.com/respond/695972CZ36>

3. Other Information

"Rehabilitation of Vlore – Orikum Road (10.6 km)". The construction period is 12 months. The Site is located at Vlora municipality. The works to be performed include excavation, filling, new structures, sub base and base. New asphaltic layers will be construction on the whole segment together with all new safety measurements such as vertical and horizontal signalization and guardrails.

Prequalification and procurement of contracts to be financed with the above proceeds is open to firms and individuals from any country.

This prequalification exercise will be conducted using the EBRD Client E-procurement portal (hereinafter referred to as "ECEPP") and subject to its conditions of use. Participants must be registered in ECEPP in order to participate in this tender.

Participants shall register with ECEPP in accordance with the terms and conditions of use of ECEPP as published on ECEPP. Only those Participants who are registered and who have expressed an interest in the tender shall be able to access the tender documents, receive clarifications, addenda and amendments and submit its tender response through ECEPP.

The prequalification applications must be duly completed and submitted to the Client on or before the date stated in ECEPP

Interested firms or individuals may obtain further information by submitting a request through ECEPP.

4. Client Address

The client's address is for information only. To register interest, access the documentation using the available links. Participants must use the ECEPP message centre for communication with the client.
